

Material Safety Data Sheet

Product : E. B. Stone Organics Steer Manure

Manufacturer's Name: E. B. Stone & Son, Inc. 6111 Lambie Rd. P. O. Box 550 Suisun, CA 94585

Phone: (707) 426-2500 **FAX:** (707) 429-8960

1. Product Identification: E. B. Stone Organics Steer Manure

2. Ingredients:

Ingredients	CAS Registration Number:
Nitrogen	N/A
P ₂ O ₅	N/A
Moisture	N/A
Organic Matter	N/A

3. Physical Data:

Boiling Point: N/A
Vapor Pressure (mm Hg.): N/A
Vapor Density (air=1): N/A
Solubility in Water: N/A
Specific Gravity (H₂O=1): N/A
Melting Point: N/A
Evaporation Rate (Butyl Acetate=1): N/A
Odor: Pungent
Appearance: Dark Brown

4. Fire and Explosion Data:

Flash Point: Flammable in enclosed area - Methane gas released.
Lower Flammability Limit: N/A **Upper Flammability Limit:** N/A
Extinguishing Media: Use suitable agent for surrounding fire.
Fire Fighting Procedures: Approved self-contained breathing apparatus for fire fighters.
Special procedure necessary to prevent methane gas explosion.
Fire Hazards: Toxic gas of methane can be released if stored in confined areas. This gas will form on heating, especially if material is wet and hot.

5. Stability and Reactivity:

Stability: Stable.
Hazardous Decomposition Products: Methane gas, odor
Hazardous Polymerization: Will not occur.
Incompatibilities: N/A
Conditions to Avoid: Avoid moisture and heat.

6. Health Effects:

Health Hazards: N/A
Carcinogenicity: Not listed by OSHA or NTP.
Signs and Symptoms of Exposure: If methane gas is heavy, asphyxiation can take place.
Get patient to fresh air. If breathing stopped, give mouth to mouth resuscitation and if necessary, CPR.
Take patient to hospital immediately.
Medical Conditions Aggravated by Exposure: N/A

7. First Aid Measures:

Ingestion: N/A
Skin: Wash with soap and water to remove dust from skin.

Material Safety Data Sheet

Inhalation: If breathing stopped, give mouth to mouth resuscitation and if necessary, CPR.

Eyes: N/A

8. Accidental Release Measures: Clean spills immediately. Contain to prevent entry into sewer or water course. Wear dust mask and gloves when working with material. If methane gas odor is heavy use a gas respirator.

9. Disposal Methods: Sweep up spilled material and place in suitable containers for recycle or disposal. Comply with local disposal regulations. Reclaim material if practicable.

10. Handling and Storage: Store in a cool, dry place.

11. Other Precautions: Avoid contact with eyes and skin. In enclosed area work material using a dust mask and if methane smell is present use a respirator for methane gas.

12. Exposure Controls/Personal Protection

Respiratory: Use NIOSH/MSHA approved dust mask or gas respirator for methane gas.

Ventilation: Open

Protective Gloves: Impervious type gloves

Eye Protection: Chemical goggles.

Other Protective Clothing or Equipment: N/A

Work/Hygienic Practices: N/A

The above information is believed to be correct but does not purport to be all inclusive and shall be used only as a guide.

Always read and follow label directions.
